AMERICAN SHOULDER
AND ELBOW SURGEONS

ABOUT AMERICAN SHOULDER AND ELBOW SURGEONS

Through educational programs and by encouraging research, ASES seeks to foster and advance the science and practice of shoulder and elbow care. The American Shoulder and Elbow Surgeons (ASES) is a society made up of leading national and international Orthopaedic surgeons who specialize in surgery of the shoulder and elbow. Through continuing medical education, the ASES Annual Meetings serve as a forum where persons involved in this field of medicine can meet, discuss new ideas and present scientific material.
