SUMMARY

Dr. Brent Wiesel is the chief of the shoulder service at Medstar Georgetown University Hospital and a Professor of Orthopaedic Surgery at Georgetown University School of Medicine. His practice focuses exclusively on shoulder and elbow surgery. Dr. Wiesel specializes in both traditional open surgery as well as minimally invasive arthroscopic surgery.

Dr. Wiesel's specific areas of interest include:

Arthroscopic rotator cuff repair

Shoulder replacement

Reverse shoulder replacement

Shoulder dislocations

Shoulder fracture (including the proximal humerus and clavicle)

Elbow fractures and dislocations

Elbow replacement

Dr. Wiesel graduated magna cum laude from Georgetown in 1997. He earned his Medical Doctorate from the University of Pennsylvania School of Medicine in 2002. Following that, he completed his residency at the University of Pennsylvania and an additional year of training in shoulder and elbow surgery at the Rothman Institute in Philadelphia.

Dr. Wiesel sees patients at the following locations:

Medstar Georgetown University Hospital
Pasquerilla Health Center, Ground Floor
3800 Reservoir Road, NW
Washington, DC 20007

MedStar Health at Chevy Chase
5454 Wisconsin Avenue
Suite 1100
Chevy Chase, MD 20815

MedStar Health at McLean
6858 Old Dominion Drive
Suite 200
McLean, Virginia 22101

To make an appointment to see Dr. Wiesel, please call the Department of Orthopaedic Surgery at Medstar Georgetown University Hospital at 202-444-8766.

ABOUT AMERICAN SHOULDER AND ELBOW SURGEONS

Through educational programs and by encouraging research, ASES seeks to foster and advance the science and practice of shoulder and elbow care. The American Shoulder and Elbow Surgeons (ASES) is a society made up of leading national and international Orthopaedic surgeons who specialize in surgery of the shoulder and elbow. Through continuing medical education, the ASES Annual Meetings serve as a forum where persons involved in this field of medicine can meet, discuss new ideas and present scientific material.
